A highlight in a library's year is the Summer Reading Program. This year, libraries are planning some exciting and fun ways to keep all ages reading and imagining. The 2020 theme is "Imagine Your Story."

**Ukiah:** Check with the library to find out the details of this summer's monthlong program.

**Umatilla:** Program for all ages will start July 1. Call to sign up beginning June 15 and receive a time slot to pick up your free tote bag and reading log. Win ice cream for reading and to be entered to win a grand prize. Weekly craft kits available for pickup.

**Weston:** Look for details to keep reading at the post office, on Facebook, signs on the library door, or call the library. Keep an eye on the library fence for kids' craft kits!

Call your library, check their Facebook and websites or email them for more and up-to-date information. All library contact information is at the following address: <https://ucslid.org/member%20libraries>.
