REPORTS

FINANCIAL STATEMENTS & bank reconciliations - June 2024 & July 2024??

Heather Estrada noted that she has not heard anything about the July 2024 financial statement yet. We do have the June 2024 statement though. After a few comments were made as to how we ended the year financially, Nick Nash moved to approve the June 2024 financial report, subject to audit. John Thomas seconded the motion. The motion passed unanimously.

STAFF MONTHLY REPORTS

Heather Estrada stated that Dea Nowell is currently trialing two (2) password managers, and the one that seems to be the one that we will go with, that is the easiest to work with, is \$20 per month for the staff team.

BOARD TRAINING: Public Meeting law training online now!!

Heather Estrada shared again that though the State has not yet put any public meeting law training out, SDAO has through the Vector Solutions training portal (16 minutes in length). She asked that each Board Member send her the certificate for the files by next month's Board meeting.

OLD BUSINESS

FINAL CITY/DISTRICT AGREEMENT

Heather Estrada stated that the only change to the agreement from last meeting was that she and Caty combined the recitals and amendment recitals and dropped the last two (2). The other piece of this is the formula. She got the numbers from PSU. The method they are using is taking the number change in the County and spreading it out over the zip code areas based on the current percentages of each in the County. The State Library of Oregon is also moving over to using zip code numbers as well and the numbers they have are slightly different than what Heather received from PSU. They are using PSU's numbers and doing more work and digging deeper by utilizing data from the American Community Survey. After a fair amount of discussion about how this may affect the libraries if there is a drastic shift, the consensus was to continue with the PSU numbers and watch what happens with the American Community Survey information over the next few years. They also agreed to include a line including the State Library of Oregon along with Portland State University to the statement under the population element of the funding formula to give flexibility to adjust. They again stated that their intent for the funding formula is, and has been, to take care of our libraries.

UPDATE ON GREATER UMATILLA ENTERPRISE ZONE

Heather Estrada shared that the Greater Umatilla Enterprise Zone had another meeting. She said it was very congenial. She said she stated up front that UCSLD wanted to stay out of the City funds as they are doing a great job supporting their community, however UCSLD does want to be involved in the County funds. Heather stated that she and Mark Mulvilhill (IMESD Superintendent) are in agreement regarding this.

Heather also shared that she met with Melissa Ince, Dave Stockdale, and Susie Hansen from Umatilla regarding the new agreement. It was a very positive meeting.

NEW BUSINESS

RESOLUTION 2024-2025-01 AUTHORIZING VENDORS FOR ONLINE AND AUTOMATIC PAYMENT OF BILLS IN FY2024-2025

Caty Clifton read Resolution 2024-2025-01 Resolution of the Umatilla County Special Library District (UCSLD) Authorizing Vendors for Online and Automatic Payment of Bills in FY2024-2025. Following the reading of the resolution, Nick Nash moved to approve the resolution as read. Kathy Thew seconded the motion. The motion passed unanimously, and Caty and Heather signed the resolution.

DOMAIN TO .GOV DISCUSSION

Heather Estrada shared that the State is offering another round of cybersecurity grants with one of their priorities being migrating website domain and email to the .gov extension. This is something that has been on Dea Nowell's and then her radar for a while now. There are several cities in UCSLD that have already moved over to .gov. Heather noted that one of the requirements for a .gov domain is that we need a unique identity validation number. One of the requirements is a document from a specified list with our physical address on it - she is going to try to get the bank statement sent with our physical address printed on it (it is in the account information, but not printed on the statement). She added that she wanted to bring the Board into the conversation and update them on this process.

APPROVE ALSPS FROM ALL LIBRARIES

Sharone McCann moved to approve the FY2024-2025 ALSPs as submitted. Nick Nash seconded the motion. The motion passed unanimously.

UPDATE ON INSURANCE WITH IMESD DRIVERS

Heather Estrada stated that our insurance agent Michael Corey stated he was never under the impression that IMESD was driving our car; he didn't realize it and is uncomfortable with it. Heather stated that she had a discussion with Rob Naughton at IMESD regarding options. Heather noted that he totally gets it, and he is currently talking with their insurance & finance person(s). So, there is currently no resolution on this matter, however there is ongoing conversation regarding it.

GOOD OF THE ORDER

Before going into Executive Session, Heather Estrada said she wanted to say thank you to Sharone McCann for her service on the Board. Sharone's house has sold and she has not found anyone to recommend replacing her on the Board. Heather noted that from the previous discussion she has spoken with the two (2) people she had suggested she could approach if no one else arose. The first one from the Pilot Rock/Ukiah area said she is getting ready to retire and would be willing to finish out the term and see from there. The second person from the Helix area has property with their northern boundary running all the way to Hermiston, and she said she is interested, and plans to be at next month's meeting. Sharone shared her resignation verbally. Kathy Thew moved to accept Sharone's verbal resignation. Nick Nash seconded the motion. The motion passed unanimously. All shared that they will miss her and wished her the best with her move.

EXECUTIVE SESSION

Board President Caty Clifton read the following statement: The Umatilla County Special Library District Board will now meet in executive session for the purpose of the District Director's Performance Appraisal.
